

Intelligence Community Staff Weekly Report

23-27 November 1981

Completed

- The FY 1983 National Foreign Intelligence Program Budget has been submitted to the President.
- FY 1982 Budget - The Classified Annex to the Joint Authorization Conference Report has been provided to NFIP Program Managers for action as appropriate. Also, the HAC Classified Annex to the Appropriations Report on FY 1982 DoD Appropriations Bill was provided to the Program Managers. We anticipate Senate and House Committee Conference to begin deliberations on or about 9 December.

Ongoing

- US/USSR Fishing Venture - Atlantic - Have requested Community input to prepare an assessment of the risk posed by a US/USSR fishing venture off the Atlantic Coast.
- POW/MIA - In response to DDCI request, preparing report on collection against the POW/MIA in Southeast Asia problem for use by DDCI in testimony on 8 December before the House Task Force on American POWs/MIAs in Southeast Asia.
